

**Windham School District
Health Office Notice**

TRANSFER IN STUDENTS to Windham School District must provide the following items to the health office.

- 1) Complete and up to date immunization record**
- 2) Physical exam, by a health care provider, dated within 1 year of the starting in the Windham School District.**

If prescription medications are required, permission for medication forms must be completed by practitioner and parents. Medication must be delivered to the school by a parent/adult in the original, labeled prescription container.

Please notify the health office of any allergies or medical concerns that may require special attention during the school day.

If you have any questions, please call the health office.

Thank you.
